

Members of the Mississippi Artist Roster receive a packet of postcards with the award letter. Make the most of the MAC Artist Roster and strategize how you advertise yourselves to nonprofit organizations, schools and government groups:

- Commission a work of art

Organizations can commission works in a variety of artforms including contracting public art, musical compositions, or written works.

- Present a performing artist

Festivals, schools, libraries, and conferences hire MAC Roster Artists to perform or speak at their events.

- Bring an artist into the classroom

All MAC Roster Artists are eligible to go into classrooms to demonstrate their artforms or even teach the class!

The front of the postcard shares information about how to access the Artist Roster online while the back of the postcard provides information about grant funds to hire Roster Artists. Artist may also use the blank space on the backside to personalize the postcard.

Additional postcards available upon request.
