Budget Itemization: Create an itemization for both your expenses and income on a separate page from the budget. Do not list Cash Match and MAC Grant numbers separately. The itemization should reflect the totals of each line item. Be sure to detail and explain each item that is not already clearly defined (example: Food and supplies do not need further explanation. Anything listed as other and the other categories that have more than one aspect will need a brief detailed explanation). You can create your own itemization page if you require additional space, but please follow the format listed below which follows the budget formatting.
