Topic: Romero Britto Veteran's Day Art

The Artist: Romero Britto is a Brazilian artist, painter, serigrapher, and sculptor. He combines elements of cubism, pop art, and graffiti painting in his work, using vibrant colors and bold patterns as a visual expression of hope, dreams, and happiness. Britto lived and grew up among a big family of eight brothers and sisters. However, his innate creativity allowed Britto to fill his life with images of a bigger and more beautiful world beyond his own at an early age, he painted what he saw and what he imagined on surfaces such as newspapers, cardboard or any scraps that he could find. With an inordinate passion to excel, he prospered academically. Still, Britto's artistic nature eventually led him to seek experiences outside the classroom. Britto has lived in [Miami, Florida](#) since 1989.

The Process: Students were introduced to the artist Romero Britto and his whimsical designs with bright colors and repeating patterns. Students are reminded of the Pop Art style and the components of Pop Art they have learned previously. Each class created a piece of Veteran's Day themed artwork in the style of Britto, using patriotic colors and patterns. Classes created different patriotic themed art such as, The Statue of Liberty using red, white, and blue markers, while other classes will create a heart or star themed artwork using the same patriotic colors. A few classes created a bald eagle with the American flag in the background. This artwork will be featured in the Veteran's Day virtual program.
