# Mississippi Whole Schools Institute Report

Theme: Whole School, Whole Child  
USM campus in Hattiesburg  
July 12-14, 2022

The conference focused on best teaching practices to impact student learning. It reminded attendees that each learner is unique and should be included as an individual within the larger group of campus enrollment. The conference addressed difficult topics currently polarizing our state and nation. The workshops addressed academic standards in math, english-language arts, and science.
